Craigendoran = Cardross >>>>> Craigendoran

(Flowers & Trees)

Meet at: **09-30 Craigendoran Station** NS 309.813 Free Parking

Train to Cardross is at **44 mins past the hour.** (With bus pass <5mls £1)

(FACE MASKS are REQUIRED on stations and trains)

Stats: There are three options, Easy (EW), Medium (MW) and Tough (TW)

All use part of Three Lochs Way (TLW) SEE MAPS BELOW.

The Walk: Leaves the Cardross station, continues through Geilston park and across A814 up Barrs Rd/Terrace, Kirkton Rd/Crescent to reach Darlieth road. After a brief detour via Drumhead, return to Darlieth road which eventually reaches a junction with the Red road/Stoneymollan.

For the **EW walk**, turn left and in 200m turn right through a large cage gate (horse size!) onto good track. In 2kms go under power lines and at Xroad go left on narrow cinder path down to Camis Eskin and back to Craigendoran.

For the **MW/TW walk**, turn right at the red road and follow up to a gate on the left (the gate is chained but there is a squeeze for the very thin and dogs – or climb over it!). Continue along track, through the woods and **uphill** onto the TLW.

The MW will just follow the TLW whereas the TW will visit a view point and/ or visit Ben Bowie. Both will continue down TLW thru Camis Eskin.

AND AFTER: TBD
